The Western and Central Pacific Fisheries Commission was established to ensure, through effective management, the long-term conservation and sustainable use of highly migratory fish stocks in the western and central Pacific Ocean. The Commission's Secretariat which is located in Pohnpei, Federated States of Micronesia now invites applications for the position of Network Administrator.

The Network Administrator reports to the ICT Manager. Responsibilities include the monitoring and maintenance of network servers, services and security systems, systems documentation, helpdesk support and SharePoint Administration. The Network Administrator is responsible for 'proof of concept' developments that respond to the needs and reporting requirements of the Commission members. The scope of work covers the entire information technology space implemented at WCPFC, testing, demonstrating and illustrating how the technologies in place can leverage the work of the Commission.

Applicants are required to have a proven record of achievement that demonstrates their ability to successfully undertake the role. A tertiary qualification in a relevant discipline is required. A duty statement, organisation chart, information on conditions of service in Pohnpei can be obtained from [www.wcpfc.int](http://www.wcpfc.int). If needed, additional information can be obtained from the Finance and Administrative Manager (Aaron Nighswander) at +691 320-1992.

The vacancy will close on 31 December 2012 and the successful applicant will be expected to take up the position around 15 March 2013. Applications can be submitted to Aaron Nighswander at [aaron.nighswander@wcpfc.int](mailto:aaron.nighswander@wcpfc.int).
